Rules

- 1 Guitars must be equipped with nylon strings, unless otherwise stated.
- 2 Players may choose which piece(s) to play, subject to the criteria and time limits stated.
- 3 Grades - This term is a rough guide as to standard. Music played may or may not include actual exam music of the Associated Board, or Trinity College London, but should not exceed the grade requirement.
- 4 Please note that all performers (excluding accompanists) must be amateurs (someone in full-time or higher education or who does not derive their main income from performance or teaching a string instrument).
- 5 Performers are asked to pay close attention to the time limit for each class, as a performance that is over the limit may not be adjudicated.
- 6 A copy of the music to be performed, with the composer and title of the piece clearly marked is required for the Adjudicator for all classes.
- 7 Performers must book and pay for their own accompanist, where needed. Please see <http://www.springboardfestival.co.uk/information/accompanists/> for a list of local accompanists.
- 8 A player may perform a piece only once in the Festival. The same piece may not be played in two

different classes, even if the classes are in different sections of the Festival.

9 Please ensure you are familiar with all general rules and regulations of the festival
