OFFICIAL ACCOMPANIST

Singers are welcome to use their own choice of accompanist, but if needed, we offer an official accompanist. Singers must select the option to use the official accompanist when entering online. Participants may be assigned different accompanists for different classes.

Fees

There is a fee for this service payable on entry, which has been subsidised by the festival and can be found in the syllabus below. The fee covers the cost of a short run-through in advance of the festival plus the performance.

Rehearsing

After scheduling is finalised in mid-October, entrants will be contacted to arrange a run-through with the accompanist before the festival. If additional rehearsal time is needed, singers should arrange this directly with the accompanist at a rate of £30 per hour. It is unlikely that there will be an opportunity to rehearse with the accompanist at the venue on the day of the performance.

Sheet Music

Singers should provide a copy of their music for the accompanist at the run-through or in advance, as advised. The music must be in the correct key, and any repeats or cuts should be clearly marked. Chord charts with lyrics are not acceptable. Additionally, a second copy of the music will still be required for the adjudicator.

(Currently, we are offering the service of an official accompanist exclusively within the singing section. If this initiative proves successful, we may extend it to other sections in the coming years.)
