MUSICAL THEATRE

1. Piece should be based on a scene from a published work of Musical Theatre or film.
2. All performances are subject to copyright law and the SFPA does not accept liability for any infringement.
3. Where movement or costume are included in a performance copyright permission is required and the festival committee accepts these entries on the basis that the appropriate copyright permission has been sought.
4. For those wanting to enter these classes, please note that they are outside of our PRS conditions (I.e. these classes you are encouraged to wear costumes, have characterisation and movement) therefore you will need to contact the organisation who holds the rights to that musical/show and seek permission. If you don't want to seek the rights, we have the Songs from the Shows classes in the Singing section for those not wearing costumes, movement etc. More information on the PRS can be found [here](#).

When seeking permission, most of the time it is granted. You obviously need to find out who has the rights to ask though.

Obviously, using Google will assist you in the process. Whilst we claim no responsibility for external sites, you can look at the BMI (Broadcast Music Inc) and search [here](#). There is also a website about Musical Theatre that has some good information including a page listing who holds the rights to many of the shows.

Once you have found out who has the rights, you will need to contact them, explain what you are doing at the festival and ask for permission.

Please note, the Festival does not accept liability for the infringement of copyright. The Festival contributes to a blanket copyright agreement but this only covers all items that fall within the PRS. Therefore, the Festival takes no responsibility for any item that is copyrighted in the Musical Theatre class as this falls outside of the blanket PRS agreement. I.e., If the trustees of the copyright pursue an illegal use of a piece performed at the Festival, it is the sole responsibility of the entrant to pay any fines that are imposed.

5. The use of photocopies of printed material without the publisher's permission is forbidden as contrary to law. However, when material is part of a volume, and not published separately, a copy may be made for the Adjudicator, provided that the entrant has already purchased a copy. The photocopy will be retained and then destroyed by the Festival.
6. CDs, backing tracks (not containing lyrics) or live music may be used but the performer must provide their own equipment to play and amplify.
7. Please note there are no 'changing facilities' at the venue.
